Making a Gluten-Free Frozen Pizza

Start

Do you have time to make a pizza?

No → End

Yes → Open the freezer

Do you have a frozen pizza

No → Go grocery shopping → End

Yes → Remove the pizza from the freezer → Double check that the pizza is gluten-free

Is the pizza gluten-free?

Yes → Remove the pizza from the wrapper and preheat the oven → Once the oven is preheated, place the pizza inside → Leave the pizza in for the amount of time instructed on package

No → Don't eat it (especially if you have Celiac Disease like me) → End

Is the pizza done?

Yes → Take it out of the oven and enjoy! → End

No → Leave the pizza in for another minute
